February 11, 2022

The California Constitutional Rights Foundation, a project of the Faith & Freedom Foundation, a Delaware non-profit corporation, is holding a press conference to announce the filing of a lawsuit against the Biden Administration's Covid vaccine mandates for federal employees and for the employees of federal contractors. The press conference will be held at:

#### **The Encore Event Center**

8253 Ronson Road,  
San Diego, CA 92111

February 14, 2022

**in the Cantina Banquet Room from 11:00AM - 1:00PM**

Copies of the filed lawsuit will be distributed at the press conference. Attending will be the lead attorney/s for this lawsuit, representatives of the nationwide group of plaintiffs who live in Southern California, as well as local activists and government officials.
